ABOUT

My name is Kevin Cunningham, I am 25 years old from Greensburg, Indiana. I work full time on off road vehicles and I love what I do and I work hard to support my racing career.

When I am not involved in racing, I like to ride for training, hunt and golf. I like anything to do with the outdoors.

Family is really important to me. If it wasn't for my family I would not be where I am today. They have been supporting me from the day we started this adventure. And I keep pushing myself every year to progress myself as a racer and a businessman for my job and sponsors.
